**Attachments:** Figure 4.24-1 Mine Site Fish Distribution.pdf

Hi Tim,

Thanks for meeting with us this morning! We have a map request for the purposes of next Thursday's briefing with the RA.

Attached is Figure 4.24-1 from the Pebble Mine PFEIS. It is the Project's depiction of fish distribution in the initial mine site footprint, using the NHD stream network.

## Ex. 5 Deliberative Process (DP)

If you can get that to us NLT EOB Tuesday of next week, we'd appreciate it.

Thanks very much!!

Betsy
